Volume 35 No 8

There aren't many things that are guaranteed to get the testosterone flowing quicker than the sight of that prancing pony on the front of a classy Ferrari. Still, we reckon we've found something – in the shape of the utterly horny Martha doing some prancing of her own in front of the aforementioned motor! When the Club gang got invited along to this shoot, we couldn't get out of the door fast enough – after all, a ride in something like that's not an opportunity to be passed up lightly! And as it happened, one or two of the guys fancied taking a spin in the car as well. As for the rest of the issue – we're very proud to present nubile newbie Nella, who might have a bit of a silly name but can't really be faulted in any other department! Oh, and we've finally managed to team Stella up with Beth, who's been a bit of an office favourite for some time. I think the girls enjoyed themselves, don't you? **The Ed.** ♣

BOTS LOVE GOT TO DO WITH IT?

Being an avid arse man I was overjoyed when I saw the pictures of Michaela in 35.7. She has got one of the tastiest looking arses I have seen in a while and that final double page picture of her spreading her cheeks is an image I will hold in my head for as long as I live. Her tight ring looks absolutely ravishing and never mind all that romance stuff, I would I would love to bury my tongue in her crevice to moisten it up before I plunged my cock deep inside there and give her a buggering she would never forget.
Nigel, Burnley

A GOBBY FEMINIST WRITES...

I'm not actually a regular reader of yours, but I found a copy of your magazine in my boyfriend's bathroom and in an attempt to satisfy my own curiosity over a certain matter I've resorted to sending you a letter behind his back. Basically I want to know what is it with blokes expecting you to swallow their spunk? My boyfriend loves having his cock sucked and I must admit I do take great pride in giving him a blow-job but I simply refuse to let him come in my mouth. As a result my boyfriend usually pulls his dick out of my mouth just as he's about to spurt and then he unleashes his sperm all over my face or my tits. The thing is, he keeps begging me to swallow it and I can't understand what the appeal is. I'm worried that he'll go off me if I don't so I really need you or some of your readers to convince me why I should swallow.
Danielle, Salisbury

What is this, Just 17? Mmm, let's see, it contains zero calories, it's great for your skin, it's lucky, it's good for your immune system, and most of all it tastes great (That's what you say! – Ed.). OK, so none of the above is scientifically proven but it's never killed anyone, has it?!

HOLE LOTTA LOVE

If you're, like I up until recently was, desperate to get your brown wings but your lass isn't so keen then I reckon my technique might just do the trick. Basically my missus Carla loves trying new things in the bedroom but she's always put off bum sex because she's worried it might hurt. I tried to allay her fears by saying that there was at least one benefit of me having an average sized cock in that it wouldn't cause too much stress for her, but she still wasn't having any of it!

Then I had the idea of getting her in the mood for it by pleasuring her arse with something that wouldn't feel too obtrusive. So after a bit of scouring on the internet I discovered a web site selling sex toys and in particular a slim dildo that she surely wouldn't object to having stuck up her rear passage.

My little surprise duly arrived several days later and I tucked it away in the bedside drawer, ready to use it for my sodomising purposes at the first available opportunity. A few nights later, such a chance presented itself as Carla had been texting me all day telling me she was feeling horny, so as soon as she got home from work we were in the bedroom, tearing our clothes off and shagging each other senseless.

After our first fuck I was hard again almost immediately just thinking about taking her up the back passage. I pulled out the dildo and Carla stared at me in wide-eyed astonishment.

"What the fuck are you doing with

OH, WHAT A WANDA-FUL PAIR

I really can't believe how hard some of the girls in your magazine make my dick. I've only just managed to get a soft-on after looking at the last issue and I especially blame those two lezzas Wanda and Anita. It doesn't surprise me that those two filthy sluts got together in Ibiza because I've been there in the past and had my fair share of sex, although the girls I've ended up with aren't anywhere near as gorgeous as those two. I think I know where I'll be going on holiday next year and I'll certainly be on the look out for those two. In the mean time you could always show more horny pics of them together!
Gary, Derby

TEAG TOTAL

Thank you very much Club! Ever since I saw Teagen in a lads' mag I've been desperate to see her completely naked. From the pics I'd previously seen I realised how beautiful she is but I was worried that I'd never have the pleasure of seeing her snatch in all it's glory, so when a mate of mine tipped me off that she was starring fully naked in your mag I was down the newsagents quicker than a punter with a winning lottery ticket.

When I got the magazine home I wasn't disappointed as my dream girl Teagan was flashing her gash and spreading those lips wide. To make it better she was completely shaven down there (which I love in a girl) so I just had to write to you and express my gratitude. Well done!

that, you dirty sod?" She asked.

"It's a surprise," I winked, before explaining in a round about way what I had in mind. But Carla wasn't stupid as I asked her to turn over and raise her arse in the air, which she did, before cottoning on. But to my surprise she didn't protest. It was a beautiful sight, the perfectly rounded cheeks of her rump just crying out to have cock stuffed between them.

Spreading her legs, I knelt between her thighs and started by gently inserting the plastic prick into her sopping cunt, pushing it in and out, coating it with the sticky cocktail of spunk and pussy juice still bubbling away inside Carla.

Once it was well lubricated, I pressed the tip against her tight little butt hole and, to help Carla relax, I inserted two fingers into her pussy and began to wank her off, rolling her clit under my thumb. Soon she was moaning like a whore.

Taking my cue, I eased the dildo into her arse, pushing it through the tight sphincter muscle. She braced herself as it entered and let out a long grunting sigh as I inched it up.

"Oh fuck!" Carla wailed as I rotated the dildo, prising her clenched hole right open. She was

Nympho Nella is the cutest castaway we've ever met

PHOTOS: 21ST SEXTURY

Wow! Now that's what we call a beautiful view, and if you look behind the adorable Nella, the vista's pretty eye-catching, too. Seriously though, there can't be many things better than getting stuck on an island with this plucky porn princess – it's just a shame there was a cameraman, lighting technician and make-up artist in tow. Especially after Nella told us the one item she'd really like to be stranded on a desert island with…

"I couldn't survive without a man. I know this will probably enrage a lot of feminists *(We don't tend to worry too much about that, love! – Ed.)* but I'm serious. The thought of going the rest of my life without sex scares the shit out of me. Any girl who says they can make do with a dildo is a liar. It's all very well prodding yourself with one until you come, but what about foreplay, oral and the sticky mess? Believe me, if I'm getting stranded on a desert island I'm taking a man with me – and preferably a well-endowed one!" ♣

loving it, pushing her arse up on to the plastic prick, begging me to push it in even deeper.

"So can I fuck you up the arse now?" I said.

"Yes, oh fuck yes!" She shrieked, her fanny gushing hot love sap all over my hand.

The dildo had done its job so I slipped it out and nestled my rock-hard erection into the dark valley between her cheeks, my glistening red helmet nudging against her ring as I pushed the bobbing shaft down and prepared to shove it up her. Staring longingly at the wrinkled brown skin of her tight starfish coated in a fine sheen of cum, I still wasn't sure I'd be able to cram it all in... but Carla wasn't going to be disappointed.

She reached back, clamped her hands on to her fleshy buttocks and pulled them apart, stretching her hole wide, giving me a beautiful view of her arse, until now, untouched by cock. She was writhing around expectantly, shoving her bum up towards me, trying to force her anus on to my oozing prick. I rubbed the tip round her ring before easing my shaft into her, squeezing the yielding muscles even further apart.

"I rubbed the tip round her ring before easing my shaft into her"

"Fucking hell!" Carla grunted loudly.

I thought I'd blown it and paused for a moment, worried I'd hurt her. But without warning she jerked her arse back into me, forcing my cock deep up her until I was completely plugging her. It felt so deliciously tight in there I didn't think I'd ever get my dick back out again.

Breathing deeply I yanked my throbbing erection back out until only the tip was still inside her. Then I went to work stabbing away at her arse with long pounding strokes, pushing my cock in as deep as it would go, my balls slapping against her rump. It felt magic, tighter and hotter than any virgin pussy could ever be.

Carla was panting hard, her arse muscles rippling up and down the whole length of my shaft. I reached round, cupped my hands around her swinging tits and rode her bucking body. Pretty soon she was yelping and screeching wildly under me, the sound of her ecstasy driving me on. I released one of her breasts and rammed three fingers of my free hand up her sopping fanny. That was all it took to push her over the edge. She climaxed in a breathless frenzy, the muscles of her anus suddenly constricting round my cock as her whole body tensed.

Engulfed by the sudden contracting pressure I cried out, I couldn't stop myself coming. With one last almighty prod I shot a load of boiling spunk up into her. Carla held me tight within her, milking my aching balls dry. I seemed to jerk out cum for ages.

We collapsed on to the bed together, panting to get our breath back.

"I don't think we'll need that dildo again," she gasped as my cock slipped out.

So there you go, guys. Just introduce one of those dildos to your bedroom antics and like me you'll be bumming her on the regular!

RETURN TO SPLENDOUR

I've just come back from a year-long trip around the world and while many things have changed back here in Britain, I'm glad to see Club International hasn't. To be honest, having been smut free for the last 12 months I'd totally forgotten how good porn is but I was quickly reminded when I found a copy of your mag that someone had left on the train. While some of my old favourites like Stella and Sandy are still looking as good as ever, it's good to see some fresh new faces. That Teagan looks a right filthy cow and Brea definitely suits a bikini but the babe I've really fallen for is Adriana – she is so hot. The only thing I'm worried about is that I've probably missed many more of her appearances, so if you could print any of her previous pics again I'd really appreciate it.

Jimmy, Newmarket

Adriana isn't the only hot babe you've missed out on Jimmy, but since you asked so nicely here's what she looks like in colder climates...

I recently got into a petty argument with my beautiful friend Beth about who was filthier – blondes or brunettes. Now of course you know which side I obviously took but I have to give it to her, my friend Beth certainly tried to convince me otherwise.

"I once got fucked by four guys at once and let them cum all over me," she claimed. "It took me ages to swallow all their spunk, but I did it – every single last drop!"

"That's nothing," I replied, recalling a video shoot I had once done. "I was gang banged by six guys and while they didn't all shoot their loads over me at once I certainly had my fair share of jiz that day."

Beth wasn't impressed. She reckoned I wouldn't have done that if it wasn't for a video shoot. Little did she know! She then went on to tell me about the time she was in a night club and she got up on the stage and started undressing in front of the whole crowd. When somebody passed her an empty champagne bottle she started to fuck herself with it. Then another girl joined her and they licked each other out in full view of everyone.

While I admit I haven't done anything as daring as that – although I wouldn't rule myself out of trying it one day – I said, "well, I get my kit off in *Club International* every month, so can you imagine how many randy readers pleasure themselves over the pictures?"

Beth knew I had a point but then I realised she was appearing in a lot of magazines too, so in the end we decided to call it draw. And once we'd got over our "differences" it was a case of if you can't beat them, join them... ♣

Diamond Pleaser

The celeb totty radar went haywire at this party, until closer inspection…

There was a high count of look-a-likeys in attendance at the Diamonds & Clubs (no relation) promotion agency's first model party held at the capital's plush Astor Bar. In fact it took several double takes to establish it wasn't actually *My Name Is Earl* red-hot redneck Jaime Pressly, child dancing prodigy/annoyance Bonnie Langford, or multi-millionairess in waiting Paris Hilton among the throng of gorgeous girls flaunting their goods and indulging in a bit of pseudo-Sapphic antics for our cameras. At one point we even thought the celebrity doppelganger industry had stooped to an all time low as one scantily clad lass looked the spit of *Big Brother 7*'s wannabe footballer's wife Nikki. Until we realised she was the real thing.

Still, we'd much prefer to be stuck in a club for one night with attention seeking crumpet of this quality and a free bar tab, rather than a house full of weirdoes, wasters and wankers for the whole of the summer. ♣

NAUGHTY AUT!

It sounds like this little one's been making the most of her gap year!

PHOTOS: JACKS

Being young, carefree and single Autumn has just spent the last few months backpacking around the world with a few of her mates. According to her travel diary they've certainly taken in some breathtaking sights but Autumn admits the best experiences were too rude to write down…

"It's definitely been a voyage of discovery as far as my sex life goes. I had so much sex on the trip I feel a right slut. I gave head to a stranger on a beach in Turkey, got spit roast by two American lads in Goa, and I even had my first lesbian experience with one of my best friends in a backpacker's hostel in Australia. I don't think I'll be able to do as much naughty stuff now that I'm back home – but I'll try!" ♣

ARIES
(Mar 21 - Apr 20)
This month you may be offered a highly paid position as a professional symbologist – a vocation for which there is, of course, a huge international demand. But beware! For a symbology expert, all the prestige and drama of delivering an absolutely bollocks lecture on a subject with no relevance to anyone in Paris could lead to excitement, murders, and supposedly "stunning revelations" which have been the subject of various tiresome films and books since 1994.

TAURUS
(Apr 21- May 21)
If history has taught us anything, it is that not all insane and sexually-deviant albinos are homicidal nutters. The most Andy Warhol ever did, for example, was throw a hissy fit at Lou Reed and call him "ungrateful" before bursting into tears. Even so, should you come into contact with one who knocks around in a hood this month, I would quicken my step if I were you – especially if he looks like that bloke out of Hustle.

GEMINI
(May 22 - June 21)
Geminis particularly should brace themselves for a real shock over the coming four weeks as it is rumoured that someone somewhere is planning to release a mega-budget movie which a) does NOT have Tom Hanks in the lead; b) has Tom Hanks hopelessly miscast in the lead.

CANCER
(June 22 - July 23)
Like Robert Langdon, this month may see you develop a melodramatic phobia about enclosed spaces which, ultimately, has nothing to do with anything.

LEO
(July 24 - Aug 23)
Sorry about this, but the forthcoming fortnight will see you losing your mind entirely and having to be strapped to a bench. Your committal to an asylum will be swift following your shouted public assertion that The Da Vinci Code is a serious step-up from the equally controversial work Monty Python And The Holy Grail.

A seeming lifetime of painful drudgery lies ahead after you and 18 of your best mates all sign a five-year contract to help Dan Brown count his money. Expect a visit from an international organisation featured in the Da Vinci Code later in the month, looking to borrow from your new employer, as he now has more dosh than it does.

Your encounter with an obsessive billionaire Grail enthusiast could well turn nasty if Sir Ian McKellen forgets he is filming for a moment and gives your thigh a playful squeeze.

If your girlfriend is the world's dishiest police cryptologist, best keep an eye on her this month and make sure that she doesn't get sucked into any big pointless adventures. You might also cross-examine her as to what the fuck the police need cryptologists for – time was when good old fashioned coppers like Morse could do their own crosswords, thank you very much! Chances are, it's a makey-up job and that her occupation is not the only thing she has been lying to you about.

A movie you saw recently has made you fancy a bit of mild S&M and you may even find yourself inexplicably turned on by the torture device worn on the thigh of the pasty monk in the film. A GROSSARY OF SEXUAL TERMINOLOGY...

Some sex terminology and erotic practices with which one or two of our readers may not already be familiar. So if you don't want to appear naïve on lads' nights out, best bone up.

THE ANTI-POUNCE MUSCLES
The muscle groups located in men's upper arms and thighs which, when flexed, prevent them involuntarily jumping anything with tits and a minge passing within a radius of seven metres. When relaxed, ravishing automically occurs.

POST-ANAL CATAPLEXY
Medical term describing the (hopefully female) patient's complete physical inability to get up off of their face after having been vigorously bum-fucked by one or more persons. This "exhaustive semi-paralysis" can also effect the patient's ability to control their bowels, in much the same fashion as a wimp freaking out whilst watching a scary DVD, and the best thing to do with sufferers is to keep them calm, warm, and assure them that they will not be buggered again until they've recuperated and are comfortable with it.

Hmm, 6 down – pointless drivel: 3,2,5,4...?

For about a week every month she always had a monk on

head about. Many people have sported additional *l*imbs down through the ages – for example, Jake the Peg, with his extra leg (Dig-a-lig-a-lig-a-lig).

AQUARIUS

(Jan 21 - Feb 19)

If you live in West London the chances are extremely high that you may encounter actor Alfred Molina crying into his beer at a fashionable restaurant. Try to resist any temptation you may have to kick him. It is not his fault. He's a nice man and a talented actor. If he has committed a crime, it is one of negligence in having failed to read the script before accepting the role of Angostura Bitters.

PISCES

(Feb 20 - Mar 20)

A very ordinary experience in your local cinema may lead you to ponder what is, perhaps, the most profound and ineffable mystery of modern times. Why in hell you would spend hard-earned cash on a ticket to endure this dull and preposterous nonsense.

Got a problem you're too embarrassed to share with your mates? Then why not share it with the nation instead by writing in to Club's very own Agony Aunt/sex-crazed porn star wannabee, ASPEN MARTIN?

Ask Aspen!

FANNYPHOBIA!

Dear Aspen,

I have a very unique and exciting problem. I am a 22-year-old man with a very high sex drive but I find vaginas utterly unappealing. Just the sight of them gives me the dry heaves. I find I cannot touch them except with my mother's oven gloves, and would much rather tear off my face than lick someone out. Even the very notion of the things makes me nauseous to the point of going into convulsions.

The problem is that I am 10,000 per cent heterosexual and find every other aspect of women incredibly attractive, but vaginas are a very different and disgusting proposition. I don't know what to do. I'm so very, very miserable, because I don't want to feel like this. But every time a girl opens her legs I just want to grab the nearest bucket and puke up. Oh Aspen, whatever can I do?!

Should Have Been Born Dead, Leicester

ASPEN SAYS!

Dear Should Have Been Born Dead,

Indeed you should have been! What precisely offends you about minges?! PRAY TELL! What has a vagina ever done to you? I, for one, speaking as the proud proprietor of a more-than-usually well-used fanny, find your antagonism towards them belittling!

While I understand that you cannot help feeling the way you do about fannies, I would dearly like to know where you live so that we can have you forcibly committed to a secure mental institution where they would deliver electric shocks to your gonads every time you said anything I didn't like the sound of.

This is called Aversion Therapy.

I DON'T WANT TO WANT NOT TO WANT TO WANT TO BE SPANKED!

Hiya, Aspen babes!

I am a 26-year-old Essex girl of well-below-average intelligence for my town, which is really saying something, and have had a spanking fetish for as long as I can remember. 99% of my masturbation is fulfilled playing out a spanking fantasy in my head until I reach organism. Now it's beginning to make me feel abnormal and I keep throwing tantrums and strops about it and blaming it on everyone else except me.

But what really bugs me about it, babes, is that I can't reach organism with sexual interface, aural sex, or in any other manor.

A few years ago, I participatered in various spanking scenarios with both men and women, but I was always left feeling violated and physically sick. Perhaps it was 'cos the people I was playing with used 2 x 4s and canoe oars to batter me.

On top of that I feel a major strop coming on because I want to experience a kleenex at the peak of my love making, but without spanking that just isn't going to happen, babes. I have a gorgeous man with a bloody big wotsit but because he don't thrash my bum I'm unable to give him the honour of bringing me to organism.

How do I rid my mind of all thoughts of spanking? What can I do to make a fantasy be of my husband, boyfriend, or whatever knobbing me instead of what they are? I don't talk to him about my spanking needs so sort this for me please, because I can't be bothered doing anything for myself, know what I mean?

Not Very Bright, Essex

ASPEN SAYS!

Dear Not Very Bright,

You know what; I think this is a very workable issue!

Do you think it might turn you on to have your husband lightly spank you? I'm thinking that if you and your husband could act out some light bondage, which might make you "kleenex"!!!

Our sexual desires are our sexual desires. We can't explain what turns us on, we just know that it does. If you will only give yourself a swift kick up the arse and take the trouble to talk to him about this, I think you'll find there will be a way to incorporate spanking in your love-making in a way that works for both of you.

Okay, so you're thick, but try your best to get creative in bed with your "husband", boyfriend, pimp, or whatever he is.

love,
Aspen x

THE WHEELY WILD SHOW

Yvette's taken us to dizzy new heights...

PHOTOS: MB EUROMEDIA/MARCO MARI

Don't blame all those wheels for driving our minds round the bend, it's the lovely Yvette that's got us in a spin. She's been telling us about her last sexual experience and it's no wonder her new boyfriend is head over heels in love with her.

"We were driving home from a party one night and I was feeling so horny I just couldn't wait. As were speeding down the motorway, I got my boyfriend's cock out and started sucking on it. He was having great trouble concentrating on the road as my mouth went like the clappers on his stiff dick so eventually he had to pull over on the hard shoulder.

"I desperately wanted him to put his cock inside me but there was no room in the car so we had to get out, and then with me sprawled over the bonnet he started ramming it up me. Although it was quite dark there were cars driving by and beeping their horns as I got fucked. One car even stopped and the two blokes inside watched eagerly as my boyfriend pulled out and shot his hot salty load all over me!" ♣

THE NAKED HISTORIAN

PART 8: THE GOTHS

ANYONE WITH A TV KNOWS THAT THE ROMANS INVENTED CENTRAL HEATING, AQUEDUCTS AND BRAZILIAN WAXES, BUT WHERE THE FUCK DID EVERYTHING ELSE COME FROM? NIGEL PULLMAN-CARRIAGE INVESTIGATES…

Welcome to part eight of my "Unbelievable…" (AA Gill - *The Times*) programme The Naked Historian with Nigel Pullman-Carriage - "Phew, I've been proper learned stuff wot I didn't know of before!" (Paul Ross - *News Of The World*).

I've got loads more real facts lined up for your edification, so without further ado, let us turn to the subject of this week's episode of The Naked Historian with Nigel Pullman-Carriage and ask: What did the Goths do for us?

BACK IN BLACK

Goths. An East Germanic tribe who settled in Scythia, Dacia and Pannonia from the 2nd century, harried Byzantium in the 3rd and 4th centuries, adopted Arianism and then spilt into Visigoths and Ostrogoths in the 5th and 6th. But, apart from the mind-numbingly obvious, what do we really know about Goths?

Formed from outcast members of neighbouring Gutar and Gotar tribes who flocked together through a shared interest of dark make-up, baggy jumpers and misery, it was following my discovery of secret texts inside the remains of an ancient Scandinavian library that I first happened across references to the Goths in the writings of Jeff the Great of Adrianople.

Jeff had heard Gothic songs that told of their love of war, hatred of sunlight and fondness for moping about. The main theme of the songs explained how they went to great lengths to protect their uniform pale skin by creating a proto sun-brella from a parchment covered frameworks on a stick. The second most prevalent theme told of how Gothic warriors would go out raping and pillaging and then come home really depressed about the whole thing and end spending lengthy sessions talking through their problems with a physician (or Iatro in Greek) from the island of Cyclades - a Cyclatro, if you will, later bastardised into what we in the modern world now call "psychiatrist". Yes, with sun-brellas already in the bag, the Goths went on to introduce the world to the idea of therapy too. And America never looked back.

TIME TO KILL

Running a growing warrior empire was, of course, a precision task and when there was serious moping around to enjoy too, time was of the essence.

Unfortunately for the Goths, however, the only method of measuring time at the, erm, time was through the use of a device the idea of which got right up their nose: the sundial.

As this was out of the question for a race of sun-hating miseries, the Goths set about creating a new way to measure time, experimenting with moonlight, water, turnips and, when things got really desperate, science. Taking the dark number of 666, they reasoned that '6' would be doubly dark if, erm, doubled and so divided day and night into two sets of 12 equal sections. These sections would then be sub-divided into 60 sections and those into yet another 60 tiny sections, thus all three sixes were represented.

Next, as it is reasonably conjectured in my book *History's Miserable Fucks* (£6.78 from BP garages) they constructed a colossal circular device etched with these markings, which they forced slaves to crawl around at a carefully regulated rate.

So, in their lust to be punctual at the brutal slaughter of other tribes, the Goths had inadvertently invented not just the 24-hour clock based on Satanic beliefs, but also the clock itself, countless centuries before some chocolate munching neutral-monkey in Switzerland stole the idea.

FOR BOB'S SAKE

Now with time on their hands, the Goths turned their snail-eyed dejection to other areas of "life", seeking to bring misery and loathing to everything around them. Naturally, the music of the time was deemed far too upbeat and, consequently, all musicians were torn limb from limb by wild horses, while shoe-gazing Queen of the Goths, Sioux (no relation to any Native American tribe), ordered that new music should be produced that would encourage a really awful evening out and possibly leads to suicide by the time the bill came. This new style of music became know in Goth religious circles as 'the cure' to the light heartedness of the world and became a means of worshipping the pitch-black shock-haired, translucent-skinned deity known only as Bob.

Meanwhile an outside world, terrified by tales of these pale, supernatural entities began to spread stories that the Goths were pale due to the fact that they were undead. In some stories the Goths would drink blood and could transform into bats.

The Goths naturally whined about this image, claiming it "wasn't fair" and groaning lowly whilst lighting blood red candles in twisted pewter candlesticks, covering their furniture in pentangle covered throws, painting their fingernails black… and biting virgins unnecessarily hard in the neck.

FIN

So what became of the Goths? Having become increasingly insular and down-beat with everything, many simply topped themselves, whilst those that couldn't even raise the enthusiasm for that spread out across the world (at night, obviously) and their descendents can be seen even today in the cheerless music of the Sisters of Mercy, the dour slapped face of "alternative" students and the brooding films of serial miserablist Tim Burton.

So, what did the Goths do us? They gave us the fucking Goths - a shower of black-draped hard done by cuntabouts, that's what. Thanks a fucking bunch! ♣

PEW POOH!

An elderly couple were attending a church service. About halfway through the old lady leans over to her husband and says, "I just did a silent fart, what do you think I should do?"

He replies, "Put a new battery in your hearing aid."

TREE TOTAL

A drunk is driving home after a few too many down the local . He turns a corner and, much to his dismay, he sees a tree in the middle of the road. He swerves to avoid it and, almost too late, realises that there is yet another tree directly in his path. He swerves again and discovers to his horror that his drive home has turned into a veritable slalom course, causing him to veer from side to side to avoid all the trees.

Moments later he hears the sound of a police siren and brings his car to stop.The police officer approaches the drunk's car and asks him what on earth he was doing. The drunk starts to tell his story of the trees in the road when the police officer stops him in mid-sentence and says, "For fuck's sake, that's your air freshener!"

COUNT ME IN

A man getting along in years finds that he is unable to perform sexually. He finally goes to his doctor who tries a few things, but nothing seems to work. As a last hope, the doctor refers him to an African medicine man. The medicine man casts a spell but tells the old man that he can only use it once a year.

"All you have to do is say '123', and it shall rise for as long as you wish!"

The old man then asks, "What happens when it's over, and I don't want it to continue?"

The medicine man replies: "All you or your partner has to say is '1234', and it will go down. But be warned: It will not work again for another year."

The old gent rushes home, anxious to try out his new powers. That night he showers, shaves, and slaps on the Brut all over. He slides into bed, cuddles up to his wife, says "123", and suddenly he has the most gigantic stiffie ever, just as the medicine man had promised.

His wife turns over and asks, "What did you say '123' for?"

WACKY OUTBACKY

A koala is sitting up a gum tree smoking a joint when a little lizard walks past and looks up and says: "Hey, what are you doing?"

The koala says: "Smoking a joint, come up and have some."

So the lizard climbs up and sits next to the koala and they have a few joints. After a while the little lizard says his mouth is 'dry' and is going to get a drink from the river. But the little lizard is so stoned that he leans too far over and falls into the river. A crocodile sees this happen and swims over to the little lizard and helps him to the side, then asks the little lizard: "What's the matter with you?"

The lizard explains to the crocodile that he was sitting smoking a joint with the koala in the tree, got stoned and fell into the river while taking a drink.

The crocodile says he has to check this out and walks into the forest, finds the tree where the koala is sitting, looks up and says "Hey you!"

So the koala looks down at him and says, "Bloody hell dude! How much water did you drink?!"

JUNGLE LOVIN'

When Jane initially met Tarzan of the jungle, she was attracted to him, and during her questions about his life, she asked him how he had sex.

"Tarzan, not know sex," he replied.

So Jane explained to him what sex was.

Tarzan said, "Oh, Tarzan use hole in trunk of tree."

Horrified, she said, "Tarzan you have it all wrong, but I will show you how to do it properly."

She took off her clothing and lay down on the ground.

"Here," she said, "you must put it in here."

Tarzan removed his loincloth showing Jane his considerable manhood, stepped closer, and then gave her a mighty kick right in the crotch! Jane rolled around in agony for what seemed like an eternity. Eventually she managed to gasp for air and screamed:

"What in the hell did you do that for?"

Tarzan replies, "Checking for bees."

Eve's sucking dicks just for kicks!

PHOTOS: LOBO PRESS

Last time we caught up with the ravishing, raven-haired Evelyn she was harping on about the joys of having sex in the great outdoors. And since then nothing much as changed. She still looks like she could make any man part with his nut juice just by looking at him, and as you can well see, she's still keen on combining nature and nudity. So has she had any more appetising al fresco experiences she'd like to share with us?

"Funny you should ask because I had one just a couple of days ago. I was sunbathing in the park and there were these two guys kicking a football about. I noticed they kept kicking it nearer and nearer to me, just so that they could have a good eyeful – but I can't blame them since I was topless!

"It was getting so obvious when the ball came next I grabbed hold of it and told the guys they weren't getting it back unless the did something for me. Although, really it was me doing something for them as I ordered them both to get their cocks out and I proceeded to suck them both off. By the time they'd both shot over my face they weren't in the mood for playing football!" ♣

STRICTLY CONTINENTAL

After 3 years in the making, Bentley's convertible addition to the Continental range looks like it's going to graduate with honours...

It takes most layabout students three years to complete their first degree. Of course, most of them choose pointless subjects such as Media Studies or Art History – yet whatever they're doing, 36 months is a long time to wait to shake hands with some double-barelled cunter in a twattish hat in exchange for a piece of paper that's worth fuck nothing.

Yet while the students are busy wasting away all this time with mid-morning wanks and Netto beans on mouldy toast at 3.30am, the engineers at Bentley have come up with something much more productive in three years – the new Continental GTC.

Yes, it's hard to believe, but it's more or less a degree's length since the stunning GT coupé first hit our roads. And what a glorious success it has been. The luxury grand tourer choice of moneyed poshos and the bling buy of rappers and footballers, the car has played a major role in reinventing the brand. And the arrival of a convertible version in the GTC, alongside the GT and Flying Spur saloon, sees the Continental range complete.

The estimated £115,000 price tag is probably the average post-graduation debt of about 10 students, but it's certainly money well spent. While a degree in Humanities will get you nothing more than a dead-end job making the tea in some godawful office, a Bentley logbook with your name on it proves you're someone special. The GTC makes a statement; indeed, it's the most dramatic interpretation of the three-model Continental range.

The shape is unmistakably Bentley, blending sporting lines with an undeniable elegance. The strong flow of the bonnet and radiator grille at the front has been mirrored at the rear to incorporate the soft-top seamlessly into the shape. Yet no compromises have been made; the shutlines are as tight as ever, and while the rear deck is longer than that of the tin-top GT, there are none of the nasty creases that blight so many folding hard-top coupé-cabriolets.

This car looks good enough with the roof in position, but obviously, people buy a convertible to enjoy top-down motoring, and the GTC will quickly make you realise that we don't quite as much rain in the UK as we think. The unique seven-bow, three-layer fabric top is a delight, operating electro-hydraulically at the touch of a button on the dash. It disappears silently behind the rear seats in 25 seconds – and leaves owners with an even more beautiful machine.

The interior layout is carried over pretty much wholesale from the coupé, and that means the wonderfully symmetrical facia, echoing the shape of the famous Bentley wings, being reflected throughout. There's a strip of stainless steel running around the waistline, while Burr Walnut veneers feature throughout – and to prove how much traditional and modern is blended in this car, they are cut to precision by lasers, before being hand-polished and mirror matched. Also, the leather that trims the hi-tech multifunction steering wheel is double-stitched by hand in a process that takes one of Bentley's master craftsmen around eight hours.

Yet as well as all the gorgeous old materials and classic brightwork, the GTC offers plenty of toys. Electronic climate control and electric adjustment on the gorgeous front seats come as standard, while there's Bluetooth phone connectivity and a comprehensive infotainment system, which incorporates DVD satellite-navigation with route guidance and postcode entry.

But for most owners, the main attraction won't be the gadgets and gizmos; rather, it's what lies beneath the GTC's beautiful metal skin. The 6.0-litre W12, sourced from parent company Volkswagen, is an engineering masterpiece. Delivering 552bhp of 650Nm of torque to all four tyres via an advanced all-wheel-drive system, it gives the Bentley stunning performance. The sprint from 0-60mph is completed in only 4.8 seconds, and the car hits a 195mph top speed with the roof in place. Even more impressively, it reaches 190mph with the top down.

One of the drawbacks of converting a car into a soft-top is usually the loss of structural rigidity – and rigidity is king when it comes to taking corners at speed. All manufacturers attempt to counteract this by adding to the body's stiffness, with varying degrees of success. But from the outset, Bentley engineers aimed for a stunning torsional stiffness figure of 30Hz. Strengthened steel tubing is employed in a variety of places, while the mountings on the rear subframe have been improved. Yet all this has been achieved while only adding 110kg to the overall kerbweight – and the result is a cabriolet with virtually all the handling ability of the coupé on which it's based.

The link between Bentley and higher education isn't as tenuous as you might think. Because where academia was once hailed as being open to everyone, it's now becoming a closed shop again, thanks to huge student debts and the misery of life as a pittance-earning lecturer. Yet while Bentley ownership was once for the privileged few, models such as the GTC are helping to broaden the marque's appeal beyond the crusty old duffers who liked the car for its name to those who've got both the lolly and the nous to appreciate a damn good drive when they get one. This is a first-class convertible grand tourer with an honours in style. ♣

NOUGHT TO SEXY

Driving a Ferrari and sex with Martha definitely trumps Shanks' Pony and a wank.

Fast cars and even faster women, that's what the *Club* lifestyle is all about. In our time we've put some of the world's sexiest motors through their paces, and come to think of it, we've also done the same with a fair share of the world's sexiest girls. So to get fine examples of each together is like a wet dream to us.

"Don't think you can impress me with a fancy car," Martha said when we teamed her up with the Ed's spare Ferrari, "I'm not that materialistic. I've had so many guys in the past try to get me in to bed by telling me how much they earn, how big their house is and what they drive, but it's just a massive turn-off. And besides, you know what the say about a flashy car being a penis extension."

We certainly do, that's why we catch the train to work! ♣

Reckon your better half could be one of our best? Then get her to send a picture of herself, along with her name, address and a contact telephone number, to Readers' Girls, Club, 2 Archer Street. London W1D 7AW. If she fits the bill she'll get a top photo shoot and a **£200** cheque, too!

PERSONAL DETAILS

NAME: Debbie
AGE: 18
VITAL STATISTICS: 34-24-34
WHAT'S SHE LIKE? A naughty little minx destined for dirtier things!

WHY DID YOU WANT TO BE IN CLUB?
I'm a total exhibitionist so it's always been my dream to pose naked in a top shelf magazine. I've had loads offers to pose in the lads mags but when I do things I prefer to go all the way!

ARE YOU LIKE THAT ON A FIRST DATE?
Definitely, I'm not the sort of girl who beats about the bush. If I'm feeling horny I won't let anything stop me from satisfying my sexual hunger. I once went on a date with a guy and I fancied him so much we skipped the meal and went straight back to his for sex.

SO WHAT'S YOUR FILTHIEST FANTASY?
I'd like to be filmed having sex and then watch it back with my partner as he fucks me. I love masturbating in front of the mirror so to see myself getting fucked on screen would really turn me on.

HAVE YOU EVER HAD A SEXUAL EXPERIENCE WITH ANOTHER GIRL?
Not really. I was part of a threesome once – it was me, my boyfriend and another girl but I was too scared to do anything with her. I must admit though I did get tempted to join in when I watched my boyfriend licking her pussy but I bottled out. I think next time that happens I'll just go for it and knowing me I'll end up loving it!

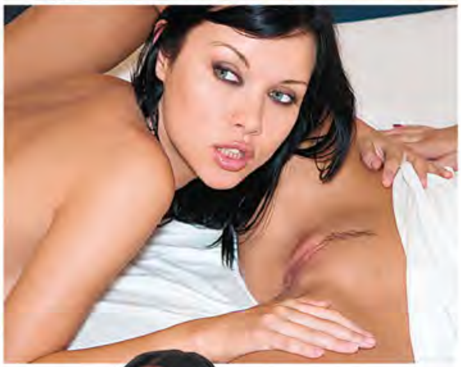
★ FLOPPY ★★ FLACCID ★★★ FIRM ★★★★ FULL ON ★★★★★ FUCK ME!

DVD

Sex City

(Private) ★★★★

Taking its cue from the comic-style smash, this is actually one of Private's more admirable adaptations. Perhaps digital technology makes the colour screening easier than it used to be – allowing the director to replicate the distinctive look of the original, and fans who found the likes of Jessica Alba and Rosario Dawson pretty trouser tenting in the original will be glad to see a scruff version. OK, so the plot's not so coherent, but who cares? There are a full nine sex scenes to work your way through, with plenty of variety – and Nella, from page five onwards, is in it too, if you fancy seeing her in action!



DVD

I'm Only Squirteen

(Red Light District) ★★★

Boasting possibly the most heinous title since *Cum Fart Cocktails*, this little number features five cute young things getting drilled until they, well, squirt. OK, so some of the squirting looks a bit forced (and let's face it, it basically is pee, isn't it?), but that doesn't mean the action isn't eye-catching, and the girls certainly seem eager to please. Big tit fans need not apply – there's a definite teeny feel about it all, and, perhaps as you'd expect with such new girls, there's not a lot of anal. Plenty of fierce pussy-pounding, though, and we particularly liked covergirl Chloe Morgan's efforts.

DVD

Slam It!

(Harmony) ★★★★

A lot of films with a theme running through them end up looking the same, but not this one. While each scene undoubtedly features a mucky girl getting into the middle of an utterly filthy DP, they all look different. So while dusky temptress Marie Luv takes a double dicking in a forest somewhere, top Britslut Poppy Morgan accommodates a couple of feet of manmeat by a four poster in some villa. By the time they get round to petite Oriental strumpet Libellue they've clearly run out of locations – so she gets a seeing-to half way up the stairs. It still makes quality hand-shandy fodder though.

DVD

Tsotsi

(Momentum) ★★★★

No, it's not a film about those slipper/sock things girls seem to like getting for Christmas – it's an Oscar (and loads of other award) -bagging take on life in South Africa's criminal underclass. Admirably named Presley Chweneyagae stars as Tsotsi, a young hood scraping a living on the edges of Johannesburg society until his values and actions are thrown into sharp relief when he accidentally ends up with a baby on his hands after a carjacking. A pretty simple hook, but this one's definitely worth an hour and a half of anyone's time.

DVD

Manderlay/Dogville

(Metrodome) ★★★

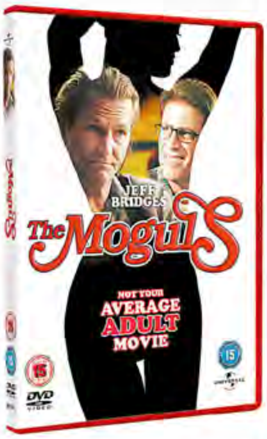
Hmm, not quite sure what to make of *Manderlay* – the second in a trilogy that began with *Dogville* (re-released with the new film). Very theatrical in style, it tells the tale of a young woman who, after her arrival at a plantation that doesn't seem to have realised that slavery's been abolished, stays behind when her father leaves to try and put things to right. All in all a very mixed bag, that often seems to be telling us a lot of things we already know (there are quite a few racists in southern states, apparently!). Still, it's pretty powerful, in an arty sort of way.

DVD

The Moguls

(Universal) ★★

Ever thought about making some money by producing your own grot flick? Let's face it – even if you didn't end up coining it, you'd have a bit of fun along the way, right? That's the thought that occurs to Jeff Bridges' smalltown loser, who ropes in some of his pals (including Ted Danson and ex-Soprano Jo Pantoliano) to help out. Needless to say, they find things a little more complicated than they'd anticipated, and end up having all sorts of hilarious japes. Except that, they're not that hilarious. Danson's probably the best thing about the movie, which isn't something you can say about many films.



DVD

The Weather Man

(Momentum) ★★★

Taking a break from big budget action flicks, Nicholas Cage puts in a nicely doleful turn as a TV weather man. It's a kind of comedy, really – but one that's sometimes pretty uncomfortable to watch, as Cage tries to get his family back together and reconcile professional and private happiness. Michael Caine puts in a nice performance as Cage's dad, offering advice and *bon mots* about how complicated life can be. For a Hollywood film, it's got a pretty indie feel about it, which can't be a bad thing, can it? Definitely worth a rental viewing.

DVD

The Lads Guide To Rio

(theladsguide.com) ★★★

Dunno why Brazil is in the news so much these days, but if all the talk of how great everything is there has whetted your appetite for a trip, here's a DVD with the gen on Rio. Apparently it's not quite as saucy as you'd think – there are no topless beaches in the city – but that doesn't mean you don't get an eyeful anyway! Three occasionally-clad lovelies act as your guide, and while the interview with 'Rolando' is a bit on the cursory side, all the norks and things on display should have your 'keepy-uppy' skills coming along a treat.

DVD

Shooting Dogs

(Metrodome) ★★★★

It's got to be tricky to make a film that revolves around genocide without ending up with a harrowing piece of cinema on your hands, and as this film takes the atrocities in Rwanda as its backdrop, it's a pretty safe bet it ain't going to be a laugh a minute. John Hurt stars as a Catholic Priest caught up in the escalating violence, and shot on location in Rwanda itself, it does a good job of capturing the confusion of the times. A pretty grim film, to be sure, but one which certainly bears watching if you're fed up with no-brainers.

DVD BOXSET

Hill Street Blues Season 2

(4DVD) ★★★★★

These days there are any number of cop shows out there that could trace their lineage back to this classic 80's series pretty easily – and even for those who aren't really fans of police drama, it'd still be hard to deny just what a classy little number this was. Featuring great ensemble acting, top plots and a peerless theme tune, HSB really set the benchmark for what was to come after – and it's no surprise it picked up a stonking 26 Emmys during its 6-year run. Five discs and 840 minutes means you get plenty of bangs for your buck, too!

DVD BOXSET

Screen Legends Collection

(Universal) ★★★★

Fancy adding a good few classics to your collection in one easy step? These box sets could be just the answer, featuring, as they do, some of the toppermost performances from some of the biggest names in cinema history. We particularly liked the two Jimmy Stewart collections, but more highbrow screen buffs might go for the Orson Welles set – not least for his peerless *Citizen Kane*. Also available are Cary Grant, Bing Crosby, Fred Astaire and Robert Redford sets, all of which contain four sterling flicks.

A-TRACK-TIVE OFFER

It was a bleak winter night when my girlfriend Alison and I were on a train from Manchester to London Euston. We had been at her mother's 50th birthday party and we were looking forward to getting home because her mother had made us sleep in separate rooms. So here we were horny as dogs on heat and stuck on a train carriage. It was a three hour journey and the train was deserted. Our carriage had no one else in it. I had mentioned the possibility of fucking on the train, but Alison was paranoid about getting caught by the ticket guy.

As I sat nursing my hard-on and trying to think of ways to get Alison on my dick in the next two hours, the train pulled into a station and someone got on our carriage. Damn it, I thought, there goes any chance of train sex. As the killjoy walked past our seats I glanced up. There stood the most stunning girl I had ever seen. She was wearing a business suit and carrying a briefcase. She looked at us and stopped, "Mind if I sit with you?"

I glanced at Alison who raised her eyebrows and smiled, "Not at all".

"I'm Suzanne," she said and sat down with a sigh, unbuttoning her suit jacket as she did so. I could see the black lace of her bra. It looked like she could give Alison a run for her money. We introduced ourselves and made small talk for a while. Suzanne was sitting next to Alison and mentioned that she liked her top. Suzanne stroked the material and asked her where she got it.

> ***"My rock-hard cock pushed at her tight arsehole"***

"I've not had it since we left London," Alison said through her dirty grin.

Suzanne laughed, "Shame. And me interrupting too!"

Alison looked her straight in the eyes, "You could join in."

I couldn't believe this. My cock was straining at the zip of my jeans. Suzanne smiled back at Alison, "How would John feel about that?"

They both looked over at me, smiling sweetly. I smiled back and with excitement said, "What else are we doing for the next few hours?"

Suzanne leaned over and kissed Alison. Alison returned the kiss, slipping her tongue into Suzanne's mouth and her hand onto her breast. Alison's foot found its way to my crotch again and I moaned a little. Alison arched her back a little and let out a soft whisper of a moan. I couldn't see what was going on, but it was turning me on. Suzanne looked me straight in the eyes, "Do you mind me finger-fucking your girlfriend?"

I was speechless.

"You're right," Suzanne said, "It's rude. I should really go down on her," and with that she disappeared under the table.

I could feel movement under the tiny table and looked down to see Suzanne's arse sticking up between my legs. She had pushed her skirt up and removed her underwear. I could see from Alison's reaction that Suzanne was hitting the spot. I decided I was way too horny to just sit and watch. I got my cock out and started rubbing it. It was rock hard. Alison noticed and grinned, "Are you horny, Honey?"

I nodded, "Well, why not fuck Suzanne?"

I looked down at Suzanne's arse, which she wiggled at me. I leaned forward and Suzanne pushed her rear in the air. My rock-hard cock pushed at her tight arsehole and Suzanne reached back, smearing pussy juice on my cock. I inched forward and slowly entered Suzanne's bum. Alison gave a little moan as Suzanne, obviously turned on, lapped even harder at her cunt.

I started to thrust harder into Suzanne's arse. I leaned forward and grabbed at Alison's tits through her top. Alison leaned forward and kissed me hard, her tongue pushing deep into my mouth. She started shuddering and I knew she was going to cum. I grabbed the back of her head and kissed her, my other hand tweaking her nipples. By now I was slamming into Suzanne with some force and I could hear her under the table starting to squeal.

Alison broke away from the kiss, making little moans and panting. She looked me in the eyes, "Cum in Suzanne's arse."

I started wildly thrusting into Suzanne who pushed back against my cock and squeezed her arse tight. I felt myself letting go and could hear Suzanne moaning with lust, her face still pushed into my girlfriend's wet little pussy. I shot my load deep into Suzanne as she wriggled around on the end of my cock, loving every second.

Ten minutes later, the train arrived in Milton Keynes and Suzanne grabbed her briefcase. Before she hopped off the train, she handed me her business card. 'Suzanne Hardy, business liaison'. "I am a facilitator" Suzanne grinned and casually alighted. – *John, London*

STRAPPED FOR GASH

I recently had an eye opening experience I thought I would share. I met this girl called Sarah a few months ago. I knew there was something different about her and set myself the challenge to discover her secret. We became friends quite quickly and would meet up for shopping trips most weekends. On one of these weekends we had been out and had an awesome time. We headed back to mine to relax and try everything on when I found another bag under all the clothes.

I asked Sarah what it was and she asked me if I was open-minded. I opened the bag and was shocked to find a strap-on dildo. I pulled it out and put it one the bed. Sarah said she had slipped off to get it while I had been returning a skirt I got last weekend.

She walked round the bed and took it out of its packaging. She got undressed, putting it on, turning this way and that and asking how it looked, just like any other outfit. As I looked at her standing there with a big dildo pointing right at me. I began to notice what a gorgeous body she had, her pert breasts, slim waist and long smooth legs, she was quite attractive.

I don't know how long I had been looking at her when she asked me if I wanted to touch it. She was smiling as I stepped forward to have a feel. Sarah giggled as I began to stroke it. I said it suited her and she said she liked the way it made her feel. Then she put her hand to my cheek and kissed me on the lips. I didn't know quite what to do, but it felt good and I felt myself wanting more.

"She smiled at me as she began teasing my clit with her fingers and sucking on my nipples, as my body started to shake with pleasure"

She wrapped her arm around my waist and pulled me closer, kissing me more deeply. I could feel the dildo pressing up against my skirt, making me feel hot, I could feel myself getting wet, I wanted to feel her naked body against mine so I pulled away.

I took my T-shirt off over my head and began to undo the fastening on the skirt I had been trying on. Sarah bent her head and began kissing my breast, lingering on my nipple. It felt so good, my breath caught in my throat and only a small gasp escaped my lips. She began kissing her way down my body. She eased my knickers down and soon enough her lips were on my pussy. I had to steady myself against the wall, as her tongue slipped into my juicy slit.

She spread my pussy lips apart to get better access to my sopping cunt. My clit was throbbing with anticipation and begging to be touched. She smiled up at me and began to tickle my clit with the tip of her tongue. My legs felt like they were made of jelly. She certainly knew what she was doing. I was aching to touch her. It shocked me how much I wanted her. My body was shaking and the only sounds I could make were small whimpers of pleasure. I began pressing my cunt against her face, trying to get more of her tongue inside me. She moved away and cleared the bed. I was putty in her hands as she laid me down on the bed and eased my legs apart so she could get closer, she smiled at me as she began teasing my clit with her fingers and sucking on my nipples, as my body started to shake with pleasure, she laughed and told me to turn over.

I did what I was told. She slapped my arse as she moved between my legs and told me to thrust it in the air. She laughed again as I did what she said. I could feel her dildo brush up against my thigh as she moved closer, I couldn't stand the anticipation as the tip of it nuzzled between my pussy lips.

"Do you want it?" she asked, and I pushed my arse up higher in response. She slid the dildo into my wet hole, it felt so good. She slowly started to increase the speed of her thrusting, she said I had a gorgeous bum. She was pumping into me so hard I let my hand slip down to my swollen clit and began to frig myself as she rammed into my cunt. She had her hands on my hips, her nails digging into my soft flesh. I started pushing back to meet her thrusts. I wanted more and she could tell my orgasm was getting close. Then she pulled out.

"I want to watch your face as you cum," she said. I turned over and she kissed me passionately then slowly kissing my neck and shoulder, she eased the dildo back into my sopping pussy. It felt so fucking good and the sight of her breasts joggling up and down as she started to pump into me was amazing. I reached up to grab one of her bouncing tits and squeezed it gently teasing the nipple, Sarah moaned as she began rubbing my clit. She started pumping

harder as I tweaked her nipples harder, rubbing my clit more vigorously.

"Oh fuck, I'm cumming!" she screamed, just as my body began to spasm in orgasm. I let out a sigh of relief, Sarah bent down to kiss me then collapsed on the bed next to me,

"Does my bum look big in this?" she asked and we both burst into laughter! – *Anna, Kent*

SEEDY TV

It was just another day at my summer job, a night shift as a security guard in the local museum, when I was introduced to two new members of staff, Erica and Charlotte. My eyes lit up straight away at this pair as they made a more than welcome change to my four other male colleagues!

"You're younger than the other guys here," said Erica, a 36-year-old brunette with a curvy hourglass figure and a dirty smile.

"Yeah," I said, "I need the money for uni."

"I'm sure me and Erica could teach you a few things," giggled Charlotte, a honey-blonde housewife with a pair of tits you just wanted to bury your face in. I had to blush slightly, being the shy 18-year-old that I am, confronted by these two coquettish cock-teasers.

Later that night, it was my turn to sit in the observation room, which shows all the CCTV footage around the museum. All the monitors showed little activity, as per usual, when my eye was drawn to the monitor showing a room where I could see Erica and Charlotte. Even though I couldn't hear them, I could tell Charlotte was giggling away with her girlish laugh as she held and stroked what looked like a dildo in her hand. I could see Erica smiling, with that same dirty smile she gave me earlier that evening, the sort of smile that makes your ball bag heavy, as she approached Charlotte and placed her hand up her short grey skirt, whilst taking her tongue in her mouth.

I couldn't believe what I was watching and began to stroke my manhood in earnest as Erica furiously frigged Charlotte's pussy. She then firmly pushed Charlotte onto her back on the floor and began to devour her body with her wet tongue, working from her neck, to her bulging bosom underneath that tight white shirt, before hitching up her short skirt and burying her face and the dildo into Charlotte's juicy fat cunt. Erica must have been working up a good head of steam as Charlotte's body was buckling soon after, as if shockwaves were pounding her little bonny frame.

My cock was stonking hard now as I watched these two slutty MILFs, when Erica looked up to the CCTV camera and with her index finger beckoned the viewer to come down. The dirty strumpets knew they were being watched and was getting off on it! I didn't need a second invitation as I stuffed my hard cock back into my pants and made haste to the room. By the time I had got down there, both Erica and Charlotte were waiting for me, sitting side by side, legs apart, with their skirts hitched up and shirts open – exposing their round plump breasts. My cock grew hard again as I looked at these two dirty mature sluts and knowing that I was going to bone them senseless.

"We've been waiting for you," said Erica, as I walked up to her. Before I knew it, my trousers were down by my ankles and her soft tanned hand was wrapped around my erect cock, stroking it up and down sensuously whilst using her other digits to massage my balls.

"I've been dying to suck your cock since I met you," whispered Erica, as she ran her full lips over my cock-head before taking my whole length into her hot mouth, feeling her tongue around the bottom of my shaft. I groaned heavily with her first wet suck and ran my fingers through her dark dishevelled hair. I grasped the top of her head as her sucking action got faster, moving my hand in motion as I fucked her face, my cock easing in and out between her slippery lips. Charlotte moved in closer, positioning herself next to Erica and began to fondle my balls, then moving her face in even closer and taking my nuts into her mouth.

"Fuck me!" I moaned as the two cock-greedy slag's noisily sucked and licked away on my stiff rod. It wasn't long before my balls tightened, and with one heavy tug by both Erica and Charlotte, I was unloading my seed all over both of their faces. I had never splodged that much before in the past but I've never been this turned on before.

I managed to gather my breath back after the amazing double blow-job, when to my own surprise, I became rock solid again, aroused by the sight of the two horny oldies licking my spunk off one another. I could see Charlotte's eyes light up at the quick resurrection of my meat.

"Mmm, young ones are much more fun, ehh Erica?" Charlotte tittered, as she grab hold of my cock, leading me towards her gaping pussy, "now, fuck me like the dirty slut that I am."

I ran my cock up and down her moist fanny lips and flicked her clit with my bell-end, before I eased the rest of my eight-inches right into her. Her cunt was warm and wet and I could already feel her love juice running down my balls after a

few fervent thrusts.

"Oh my, you're so wide baby," she gasped as I ran my hands over her massive jugs. As I quickened my pace, fucking her hard and deep with much gusto, Erica eased herself onto Charlotte's face, with her back to me, and started to pleasure herself on her tongue as it darted in and out of her pussy and anus. I could feel Charlotte was about to cum again as her body started to buckle again, and from underneath Erica's arse, I heard the muffled orgasmic cries of ecstasy, as Charlotte grabbed my waist urging every last thrust with delight. I eased my hard shiny cock out and worked it up Charlotte's body, pleasing myself quickly between her enormous soft baps. I kissed Erica on the neck from behind.

"I want to fuck you all night and cum in you," I said. I grabbed her firmly and put her in the doggy position, facing Charlotte's cunt, which she started fingering. Erica was so wet that I entered her well-worn pussy with ease and it wasn't long before I was fucking her hard and fast, slowing down occasionally for Charlotte to take my sack into her mouth again. I eased my thumb into Erica's anus which brought another gasp of delight.

"You like my arse, do you?" she purred, tilting her head back towards me, "fuck me in the arse, you dirty young boy."

I withdrew my cock and eased it slowly up her back hole. It was tighter than anything I had ever fucked before. I felt her tight anus muscles relax around the rim of my bell-end as I stretched her out further, before finally easing my whole shaft deep up her still tight arse. After a few gentle thrusts, I was hammering away at her dirt-hole which was making Erica squeal in fits of pleasure, each thrust forcing her to orgasm. It wasn't long before the tightness was too much for me as I emptied my wad for the second time, deep in her anus.

It's a good job that my boss didn't catch us on the CCTV monitors but he did look at me suspiciously when I asked for more overtime! – *Greg, Bristol* ♣

Where you can still leave your backdoor open

BUMMED FOR BUNKING

Since finishing school, I've spent nearly all of my time working. I'm what you'd call a "career girl", slaving away enthusiastically in the office and licking the boss's arse to get ahead – metaphorically speaking! But now at 22-years-old I've just managed to get enough money together to buy my own house, so for the first time in my working life I pulled a sicky to move in.

Generally it's nice to feel wanted, but I must admit I was pretty pissed off when my boss came round to check up on me when I'd only been off for two days. Mike is a middle-aged miserable son of a bitch with a bad temper and a total lack of tact, and I cringed when I opened the front door and saw him standing on my doorstep.

"Oh, Mike – what are you doing here?" I asked.

"Checking up on you – it's not like you to pull a sicky, Susan!"

"I'm not pulling a sicky, I'm really quite ill!"

"Bollocks," he said, with that nasty sneer of his. If he hadn't been my boss I would have told him to bugger off out of my sight, but since he's pretty essential to my career development, I put a brave face on and invited him in for coffee.

"So, what am I going to do to teach you a lesson?" he said, looking at me oddly over his coffee cup. It wasn't like him to be salacious and I really expected him to say I'd blown my chances of promotion for the coming year; but as it happened he was angling for something really quite different.

"I don't need to be taught a lesson," I said firmly.

"Oh, but I think you do, Susan," said Mike with a glint in his eye. "Skivers get their bottoms smacked, didn't you know?"

Well, he wasn't being metaphorical, I could see that and it didn't take me long to realise that Mike was actually quite serious about smacking my bum. Sod it, I thought, with a tingle of excitement running through me: if he wants to smack my bottom then fucking let him.

I stood up, turned around and began slowly to bend over the table, trying to be all seductive. Mike was on his feet double fast and I felt his hand on my back, pushing me down onto the work surface. With my face resting on the tabletop, I felt Mike lift my skirt up, and then I gasped as he whipped my panties down, exposing my bare bottom.

This was all a bit more than I'd bargained for. For a brief moment I felt utterly humiliated, but humiliation soon gave way to excitement as Mike landed the first sharp smack on my bum and my cunt juiced up.

After he'd spanked me, I looked over my shoulder to see Mike standing back and examining my bottom. I could see by the look in his eye that he wanted to fuck me – and that was fine by me! – but I was totally taken aback by what came next. I just assumed he was trying to get a look at my cunt, but next thing I knew, my buttocks were being parted and a naughty finger was tickling my bum-hole.

"Where's the lube?" Mike demanded, poking his forefinger into my anus.

"In the bathroom, round the corner," I replied, rather meekly. Normally I'm the one in control of a situation, especially when it comes to sex, but this time Mike was very the one in charge.

He came back with a large tub of lube, and soon there was a greasy finger probing my bottom again, purposefully lubricating my ring.

I've been fucked up the bum before, but my boyfriend at the time had an average-sized tool that didn't pose any problems; but as Mike undid his belt and lowered his trousers my jaw dropped: he was absolutely huge. A stonking great veiny cock was aimed at my anus, and I was by no means sure that I could take it.

Mike was all confidence, applying copious lube to his cock like he did it all the time, and shortly I felt a drop of moisture on my bum as he aligned his penis with my tightest hole.

"Ooooh," I wailed as Mike pressed his cock hard into my anal passage. "Be gentle, please!"

"Oh I'll be gentle all right," he grunted, supporting his prick with his hand as he jammed his bell-end up my arse. I bit my lip as I felt his cock breach my ring, and then I gasped as Mike bucked his hips and thrust his entire length right up my bottom.

I don't know how I managed to take all that cock up me but man it was so intense I almost fainted. I saw stars in front of my eyes as Mike began to bugger me. He pumped slowly at first, but after a few strokes he began building up to a searing pace. He grabbed my hips very firmly and hammered my arsehole, driving his long thick cock in and out of my tight little anus, grunting like a hog riding a sow.

It took a little while before I felt myself start to come, but it was worth the wait. Mike's arse must have been a blur as his sodomy reached its peak, and I felt a strong hand groping my tits, squeezing them rhythmically as my upturned rump took the full force of his arse-ramming.

My cunt began to spew as one almighty orgasm ripped through my body, and I felt my arsehole start to contract, gripping Mike's cock and slowing him down considerably.

"Oh fuck, you dirty little minx!" he gasped, withdrawing his cock till it was just nestled inside my bum, and then forced it back up me and squirted. I felt his hot jizm blasting inside my belly, and he rammed it in harder and harder as his balls emptied, like he was trying to get his come as deep inside me as he possibly could.

Mike left me without another word, bent over with my bum-hole gaping and leaking jizm, but I've got to say, that's the most fun I've ever had with him and I think my job's as safe as houses!

WHO'S THE DADDY?

I've always had a thing about older guys. When I was at school, I always fancied the guys who were in the years above me and I've always had the confidence to get the guys that I want with a wiggle of my tight arse and a hint of my perky tits. All I need to pull are figure-hugging jeans and a white T-shirt clinging to my toned tummy and the guys are falling over themselves to get into my knickers. I'd been seeing a lad from college but to be honest I was pretty bored with him and as I said I like my guys more matured. However, even I was shocked by what I did to satisfy my lust recently. I did something really naughty – I fucked my best mate's Dad. I knew that I shouldn't and my best mate will kill me if she finds out but it was the best and kinkiest sex I've ever had.

> "I bit my lip as I felt his cock breach my ring, and then Mike thrust his entire length right up my bottom"

I'd been round at Kate's doing a project for college and we had a pizza with her brother and her Dad, Clive. Kate's parents had divorced less than a year ago and she's hardly seen her Mum since. I'd fancied Clive for ages in an innocent sort of way but since his wife left I had been having some sexual fantasies about him. I knew he fancied me as I caught him checking out my tits a couple of times but unlike most guys my age who'd look away when I caught them, he held my gaze and then carried on ogling them quite openly. I liked that, the arrogance and I knew that I wanted to fuck him there and then. Once I'd had the thought, I got so horny I could hardly think straight, especially after a couple of glasses of wine.

Thankfully the meal ended and I grabbed a hold of myself, withdrawing from this fantasy. I must be imagining things. This was my best mate's Dad. "There's no way," I told myself. I offered to wash up just to get away from the table. However, Kate went off to put her brother to bed, which left Clive to help me with the washing up. Before I knew it we were both flirting outrageously. I just couldn't help myself as "accidental" touching became more lingering until Clive was standing behind me with his hand on my hip and his breath in my hair. I was fully primed and ready for sex, I lent my head over, exposing my neck to his lips. If they touched my neck I knew I wouldn't be able to stop. Instead, I felt Clive's hand rise up off my hip until it was on my left breast. However, just at that moment Kate returned. I could kill that girl sometimes. The moment was broken and Clive made his excuses and left – no doubt to go and have a good wank - what a waste!

We tried to carry on working but I couldn't concentrate and Kate was tired and eventually drifted off to sleep whilst we were listing to some music. As soon as I was sure she was asleep I decided that I had try again. I wasn't sure whether Clive would go for it now that the moment had passed but I wanted to give him the opportunity to fuck me. I snuck downstairs to where Clive was watching television and asked him if he wanted some company.

"Sure," he replied. He asked about Kate and I told him that she was asleep. I wasn't sure what was going to happen, if anything, but I made a point of sitting right up close and curled up on the sofa making an easy target of my bare legs for those lovely big hands. It didn't take long as Clive's hand found its way into my hair, then it was on my neck and pulling me into a kiss.

Wow! What a kiss, fiery and tender at the same time. I felt myself melt as his hand found my breast and suddenly I needed to fuck right there and then. I reached for his fly and his cock sprang out. I slipped my hand around it and instinctively pulled back to have a look.

"Oh my God!" I exclaimed. It was massive, easily the thickest and longest I've ever seen. I couldn't wait to get it inside me – if I could. I pulled him towards me by his cock until he was straddling me and I could see it close up. It was gorgeous, hot, hard and throbbing, ready for action. I desperately wanted it in my pussy but I wanted to feel it in my mouth and taste it first. I managed to get some of it inside my mouth but it was easier to suck gently on it with my lips whilst exploring with my tongue. I started at the hairy base and worked my way up to his glans and licked around and into his Jap's-eye. Clive moaned and I felt his cock pulse violently. I was afraid that he might cum right there, so I pulled away and carefully guided his cock down towards my hungry pussy.

Clive took over, gripped my hips and pulled me so my bottom was hanging over the edge of the sofa. Then I felt the tip of his cock push into my labia. He paused for a long moment with his cock just nestled into the outer folds of my pussy. Then as I pushed out towards him, he started to press in. It was big. So big that it didn't go in properly and I realized I was all tensed up and tried to relax. On the second thrust the resistance suddenly disappeared and I felt my pussy stretch to accommodate the biggest thing that has ever been inside me.

I could already feel my first orgasm building up. All the night's frustration and fantasy was rolling up into a huge climax. All I could think was, "My best mate's Dad is inside me!" As the feelings grew I begged for more.

"Oh, you're so tight." I heard Clive groan as he thrust slowly but deeply into me, gradually building a faster rhythm. I felt the fireworks go off in my pussy and a massive orgasm ripped through my body. I wanted to scream out with the intensity but managed to keep quiet. It felt so good, so naughty with that big cock wedged all the way up my little pussy that I was soon cumming again.

We swapped positions, with Clive sitting on the sofa and me sitting astride him, guiding his hot meat into my hungry hole. It felt amazing bouncing up and down as he feasted his eyes on my nubile body. He ran his lovely hands all over my thighs, over my stomach and up to my firm young breasts and played with my erect nipples, which I absolutely adored. His hands dropped to my hips and for a while he just watched my breasts bouncing as if in a trance.

Then he did something which really shocked me, he licked his finger, ran it down my back and pushed it into my arse. I couldn't believe it. I have never had anything up there before and it made me squeal and squirm like crazy. It felt weird but I could tell by the look on his face that he was living out a fantasy of some kind with an 18-year-old girl bouncing on his cock and his fat finger wedged up her bum, so I didn't stop him. Eventually I was too tired to continue and collapsed onto him and we kissed deeply for a while and then he went down on me. I was tired and happy and didn't really care that he now had two fingers burrowing deep into my arse. Besides, it was beginning to feel pretty good. He worked his magic on my pussy with his mouth so that soon, I was getting hot again and I wanted him to fuck me properly.

"Please fuck me," I begged. "Fuck me hard, make me cum again."

> "I was tired and happy and didn't really care that he now had two fingers burrowing deep into my arse"

"I want to put my cock in here," he wiggled his fingers, still buried inside my arsehole.

My heart almost stopped when I realised what he meant, "That's not going to happen." And I meant it too.

"Just try, I'm sure you'll like it. If you want me to stop, I will." Clive said. It was obviously part of his fantasy, besides I knew there was no way he'd be able to get his cock in there.

"OK." I agreed, knowing that I would stop him straight away.

Then Clive rolled me over onto my front, positioning me with my head on a cushion and my bum high up in the air, legs spread. He worked away at my arsehole with his fingers and tongue for an age and I have to admit that it started to feel really good. My hole was loosening in a way that I'd never felt before. Clive's fingers were sliding in and out easily now and I was starting to get a tingling, especially when I started to rub my pussy. Dirty thoughts started to invade my head and I began wondering what it would feel like with that big cock in my arse. Only one way to find out.

"Do it," I told him, "stick your cock in my arse."

Clive jumped up into position behind me and I felt that big cock searching for my hole, only this time it slipped into me achingly slowly. It felt amazing. So big, so tight, I couldn't believe it would go in but it did. Clive held onto my hips and pulled himself in deeper and deeper. Once he was all the way in he started to thrust ever so gently, just rocking at first but gradually building up so that he was actually fucking my arse. All the while I was rubbing away at my little clit, my pleasure building.

Soon there was an enormous orgasm just waiting to be unleashed. Even before it hit me I was wailing uncontrollably "Uh, yes! Oh yeah! … Oh. That's it. Aargh!" and I came again in a dizzying wave of ecstasy that finally sent Clive over the edge. I felt his cock jerking as it sprayed streams of hot sperm into my little arse.

We were both completely spent and collapsed happily together. As we cuddled Clive scooped up some of the cum leaking out of my open anus and fed it to me on his fingers. It was sex well beyond my wildest fantasies. I headed back upstairs and showered before heading back to Kate's room where she was sound asleep. I drifted off to sleep with my pussy and arse aching contentedly. As I had breakfast the next morning with Kate, Clive gave me a wink as he left for work. "Feel free to come over anytime," he said. You know what, I think I might just do that! – *Faye, Winchester* ♣

SHOCK IN PINK!

We had the bright idea of getting Linda talking about herself!

PHOTOS: EXPOSURE ZONE

Don't worry viewers, there's no need to adjust your sets the background really is that vivid eye-bending pink. And if your one of these types that believes what they say about masturbation making you go blind then we'd advise you to give the next few glaringly gorgeous pages a miss. But then do you realise what you'd be missing? We don't think you do and we could easily describe to you what Linda is like, but we thought it would be better if the lovely lady described herself…

"What am I like? Well, I've got brown hair, a slender body, ample round boobs, and a neatly trimmed bush. I've also got a pierced clit and as you can imagine this brings me and my sexual partners – of which I've had my fair share, both male and female – hours of fun. Sexually there isn't much that I haven't done, and I'm always open to new things. Oh, and in case you hadn't guessed, my favourite colour is pink. What more do you want to know?!"

RICH PICKINGS

Lucy and Gabrielle are privileged sorts. Privileged to know each other!

PHOTOS: STEVE COLBY

If, like us, you appreciate posh totty gone bad then you're in for a double helping with Lucy and Gabrielle here. Not only do they speak like they have plums in their mouths, they actually like another type of plums in their mouths. But that's not all because as you can clearly see they're also partial to a bit of same sex action. Could it get any better? We don't think so, but they do...

"While Gabby and I satisfy each other's needs," Lucy begins, "we always think there's something missing."

"Don't dilly-dally my dear Lucy, admit it, we'd love a gentleman to join us in our sexual frolicking."

"Yes, she's absolutely right, we'd love to get our hands on a guy who can satisfy us both at the same time. Preferably a bit of rough who will treat us like the filthy sluts we really are. One who will fuck us both at the same time and shoot lashings of his spunk all over our faces."

"Oh, I do love it when you start talking dirty, Lucy. It's a side of you that only a few people are privileged to see – and I'm just glad I'm one of them!"

Oh, how the other half live! ♣
